Surf Internet Receives Three Rivers Area Chamber Outstanding Customer Service Award

THREE RIVERS, Mich. (Oct. 16, 2026) – The Three Rivers Area Chamber of Commerce presented Surf Internet® with an Outstanding Customer Service Award at its Annual Dinner on Sept. 29 at Klines Resort.

The award recognizes businesses and individuals nominated by the community for exceptional customer service. Surf was nominated by customers who praised the company's reliable internet service and commitment to the people it serves.

One customer recalled Surf's response to tornadoes that struck the area this past spring, when the company deployed a trailer offering free Wi-Fi to help residents stay connected.

"Surf Internet has shown that they are more than just an internet provider in Three Rivers," the customer wrote. "They are involved and support our community."

"Our team takes customer service personally, so recognition from the people we serve means a lot," said Regional Market Manager Jordan Holzwart, who accepted the award on behalf of Surf. "We're grateful to the Three Rivers Area Chamber and to the customers who took the time to nominate us."

Surf continues to expand its fiber-optic network across southwest Michigan, including the Three Rivers area. The company offers high-speed internet with no long-term contracts and All-In Pricing that includes equipment fees and taxes, backed by local customer service teams.
